PICTUREBOX, INC.

Paperback, 8.5 x 11 inches
208 pages / 300 color
\$29.95 ISBN 0-9713670-4-3

Half artist's book, half graphic novel, this volume combines photographs, drawings, prints, and junk by the art collective Paper Rad, as well as two graphic novellas. The work of the group, which has a rabid underground following, synthesizes popular material from TV, comics, video games and advertising, and explodes with color, feeling, and humor. Created and designed by Paper Rad, the book explores one of the most vibrant and original collectives making artwork today.
